

# America’s Prayer Network

America’s Prayer Network (APN) supports school prayer and is invested deeply in the yearly day of prayer. These devout donors believe in the power of prayer to heal our nation and are committed to being intercessors for our nation’s leaders.

These donors support the idea that this nation will be transformed through prayer, and believe our nation is “Under God.” Senator Jesse Helms has said that America’s Prayer Network is the key to getting prayer back in the classrooms, and applauded their efforts as “historically important.”

APN supported Judge Roy Moore and the Ten Commandments. These donors take a stand against the moral corruption that plagues America today, and give generously to fight against anti-Christian government funded art and media.

*“If my people, who are called in my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sin and will heal their land. “ 2 Chron 7:14*
