

America's Prayer Network

America's Prayer Network (APN) donors declare with their voices and their wallets that our nation was founded on Christian values and truths. These devout Christians believe in the power of prayer to heal our nation and are committed to being intercessors for our nation's leaders.

APN donors are Christian champions and take a stand against the moral corruption that plagues America today, including the anti-Christian bias in the media. They will give generously to support those individuals or groups being persecuted for practicing their faith openly.

These donors believe in the sacredness of human life, the sanctity of marriage and family, and will contribute to a variety of appeals, especially Christian charities and pro-life organizations.
