American Patriots

Standing for Liberty

These donors believe that since becoming president, Joe Biden and his administration have created some of the most harmful domestic and foreign policy failures in U.S. history.

The United States suffered a crushing military defeat when President Biden abandoned American citizens and Afghan allies to our terrorist enemy, and America's credibility among all nations has been destroyed. Inflation has reached its highest level since 1980, illegal immigration has hit a 6-decade high record, and the election process is questioned. Parents are excluded in decisions of their child's welfare and education, and Big Tech is on a warpath to censor and ban conservative voices. These donors want to SAVE AMERICA against the radical leftist and destructive socialist agenda being imposed on them!

This Masterfile is comprised of several active Conservative mailers who stand for liberty and the constitution! In addition to supporting conservative institutions and Christian organizations, these donors strongly support our military!
