

Americans for Constitutional Liberty

Americans for Constitutional Liberty (ACL) was founded in 1974 as The Conservative Caucus (TCC) in the belief that conservatives could win in Washington only by mobilizing conservative strength at the state and Congressional district level. The name was changed to ACL at the end of 2014. (Taken from www.conservativeusa.org)

These conservative donors want to take back our government and reverse the Obama Socialist agenda! They strongly support smaller government and want to repeal ObamaCare. They support a strong national defense and believe we need to rebuild our defenses, and are strongly are opposed to guest worker programs and amnesty policies.

These passionate donors support the reduction of taxes, are concerned about social security. They support our right to religious liberty, and the right to educational freedom. These donors are pro-life and support traditional family values.
