

Christian Action Network

Protecting America's Religious and Moral Heritage

www.ChristianAction.org

Christian Action Network (CAN) was founded in 1990 by Martin Mawyer. Since February 2009, CAN has been the leader in exposing, documenting, and confronting home-grown Islamic terrorism activity inside the United States and over the world, as well as fighting obscene content and indoctrination in our nations' schools. For over 3 decades, CAN has been defending the Bible, our American freedoms, and our national security.

We are fighting unspeakable battles in our culture and schools. Transgenderism is being pushed on children as well as Black Lives Matter doctrine. We are no longer just fighting to put God back in schools and fighting radical Islamic teaching in schools, we are fighting against mind-boggling issues – the definition of a woman, obscene content in our schools, and gender reassignment.

Donors to CAN are dedicated to defending and protecting America's religious and moral heritage from radical Islam as well as this transgender ideology! These donors want to educate citizens and pressure elected officials to take these threats seriously!
