Protecting America's Religious and Moral Heritage

www.ChristianAction.org

Christian Action Network (CAN) was founded in 1990 by Martin Mawyer. Since February 2009, CAN has been the leader in exposing, documenting, and confronting home-grown Islamic terrorism activity inside the United States and over the world.

Radical Islamic activity in America has reached shocking epidemic levels since Barack Obama became President, and Islamic principles are finding their way into our court systems and schools.

Shariah law (Islamic law) is being used to help decide court cases, instead of relying on the Constitution or federal and state laws. The U.S. Constitution is under attack! There are public schools across the country that are teaching and sometimes forcing children to pray to Allah, dress up as Muslims, and recite Muslim prayers. These acts are Unconstitutional!

Donors to CAN are dedicated to defending and protecting America's religious and moral heritage from radical Islam! These donors want to educate citizens and pressure elected officials to take the radical Islamic threat seriously!
