This donor file features dedicated Christian supporters who view Israel as central to their faith and as a vital ally in defending shared values of freedom, democracy, and religious liberty. Many Christians believe that the biblical heritage of Israel gives the nation a unique role in God's plan and see supporting Israel as both a spiritual and moral responsibility.

These donors have contributed generously—averaging \$30 per gift—and actively engage in petitions and campaigns promoting Israel's security and sovereignty. They respond strongly to appeals defending Israel against threats from radical groups, opposing anti-Israel sentiment, and supporting humanitarian and faith-based initiatives within the region. This highly responsive audience is ideal for Christian and conservative mailers seeking committed donors with a deep, faith-driven connection to Israel's well-being.
