

# Christians Reviving America's Values

These patriotic Christian donors defend traditional pro-family values and take a stand against the NEA and ACLU. They want to revive the values that our great country was founded upon. Most importantly, though, they are committed to praying for our supreme court justices. They regularly send prayer cards from supporters and donors to our SCOTUS justices and other elected officials.

Christians Reviving America's Values (CRV) prayer cards have a considerable impact on our elected officials and others. The former first lady, Melania Trump, expressed her gratitude for the work CRV has done, after she received prayer cards showing their support for the first lady when she was under attack by the vicious left. These prayer cards are an immense encouragement to our elected officials.

These donors know that if a city can be lifted up when God's people bless it, how much more a nation? *"By the blessing of the upright, the city is exalted, but it is overthrown by the mouth of the wicked."* Proverbs 11:11
