Christian Action Network (CAN) is a national nonprofit dedicated to defending traditional family values, protecting religious liberty, and preserving America's Judeo-Christian heritage. Since 1990, CAN has mobilized Christian conservatives through impactful documentaries, grassroots campaigns, and educational initiatives that engage supporters in the cultural and legislative battles shaping America's future.

This responsive donor file features faith-driven individuals who support efforts to expose radical LGBT indoctrination in schools, oppose Satanism and occultism in public institutions, and protect religious expression from government overreach. These patriotic donors are also committed to promoting Judeo-Christian values in education, safeguarding seniors and children from scams, and advancing moral clarity through faith-based media and civic action
