Citizens for Self-Governance

"The mission of Citizens for Self-Governance (CSG) is to restore self-governance across America. CSG will elevate awareness and provide resources, advocacy, and education to grassroots organizations and individuals exercising their rights to govern themselves." (Taken from selfgovern.com).

Founded by Mark Meckler, this grassroots organization expands and directs the ever-growing, bipartisan self-governance movement. We all want Americans to be self-governing people. Americans recognized that our First Amendment freedoms like freedom of speech and freedom of religion are being attacked. The government has expanded surveillance, is over-taxing, over regulating, and is spending too much!

Donors to this group support our constitutional liberties AND want to restore power to its citizens!
