

Conservative GOP Donor Database

The unduplicated database of one of the nation's largest Conservative/Republican direct mail agencies is perfect for state Republican parties, as well as local, Congressional, Gubernatorial and Senatorial candidates.

These conservative donors are pro-life, believe in strong traditional family values, and agree marriage should be between a man and a woman. They also support a strong national defense and the reduction of taxes. These donors also believe that illegal immigration is a growing crisis and are looking to elect candidates that are going to do something about it!
