The unduplicated database of one of the nation's largest Conservative/Republican direct mail agencies is perfect for state Republican parties, as well as local, Congressional, Gubernatorial and Senatorial candidates

This responsive donor file features deeply engaged conservatives who are alarmed by the direction of the country and are acting with their wallets. These patriotic Americans are united by a common goal: defending the core principles that have defined the nation-limited government, strong boarders, traditional values, and individual liberty. These donors have given generously to causes and campaigns that fight against government overreach, defend free speech, and uphold election integrity. They are active supporters of organizations promoting strong national security, pro-life advocacy, parental rights in education and economic freedom.
