

Convention of States Action

It Matters. Take Action Now.

“The mission of Convention of States Action is to stop the runaway power of the federal government. We believe Washington, D.C., is broken and will not fix itself. The federal government is spending this country into the ground, seizing power from the states and taking liberty from the people.” (Taken from cosaction.com).

The federal government has its hands in almost every area of our lives, becoming the nation’s largest creditor, debtor, lender, employer, consumer, property owner, and healthcare provider. The Founders knew the federal government would one day abuse their power, and wrote Article V of the Constitution, which allows the states to call a Convention of States to restrict the power and jurisdiction of the federal government.

Donors to this group are concerned about the future of this country, and want to preserve our liberties for our children and grandchildren! These donors are pro-liberty, pro-sovereignty, pro-America, and want to call for a Convention of States!
