

# Patriotic Conservatives

This list is comprised of merchandise buyers from several websites supporting President Donald J. Trump. These courageous patriotic conservatives have shown their support for our country and the President, by purchasing such items as t-shirts, hats, signs, phone cases, coffee mugs, and bumper stickers. They want to "Make America Great Again!"

Donald Trump started a movement, an uprising. He has inspired average Americans and tapped into their anxiety about the present and the fear of the future. The Democrats continue to go to great length to reform our country into a Socialist society, and they must be stopped! President Trump wants to succeed and serve a second term and finish what he started in 2016, and these Americans are standing behind him and proudly support him!
