

# Dedicated Republican Donors

New Names  
Added

This is a masterfile consisting of donors from some of America's finest Conservative/Republican organizations.

These donors support traditional family values, are pro-life, and are concerned about the future of this country. They are strongly opposed to the un-American, liberal, socialist agenda that was imposed by President Obama and his Administration. These donors would be a great source of names for any anti-big government, tax issue, health care, or free market mailer!
