

Defending Our Religious Rights

These strong Christian donors are dedicated to preserving our constitutional rights and freedoms, which include religious liberty, preserving the sanctity of life, and defending traditional values.

These donors support our God-given rights to prayer and public religious expression. Such rights are recognized by the First Amendment of the Constitution - - freedom of religion and speech.

Mailers who recognize the attacks on our religious freedom must test this list. These donors want to maintain a society in which we advance life, liberty, and family, and in turn, make a positive difference in this nation and in the world! They are compassionate, pro-Israel donors who understand that religious expression and freedoms are God given.
