

Freedom Alliance

“The mission of Freedom Alliance is to advance the American heritage of freedom by honoring and encouraging military service, defending the sovereignty of the United States and promoting a strong national defense.”

(Taken from www.freedomalliance.org)

Freedom Alliance is a pro-American, pro-defense, pro-sovereignty, nonprofit organization whose contributors support and honor America’s military personnel. These donors are strongly opposed to the UN and believe that no American soldier should be forced to serve in UN uniforms under a UN command!

As threats to our national security emerge, the un-American, left-minded administration recently slashed defense spending, posing a national threat to our security, sovereignty and defense! They are intent on destroying our nation’s prosperity.

In addition to supporting American soldiers, these donors support conservative institutions and Christian organizations.
