

First Liberty Institute

Restoring Religious Liberty for All Americans!

www.firstliberty.org

First Liberty Institute is the largest legal organization focused solely on protecting and restoring religious liberty in the United States. They offer legal assistance pro bono to help defend the religious freedoms of individuals, churches, and other organizations across this nation.

First Liberty Institute is currently representing the Kleins, cake bakers who received a hefty fine of \$135,000 by an Oregon court for refusing to make a wedding cake for a same-sex couple. Another high-profile case is that of Coach Kennedy, a high school football coach in Bremerton, WA, who was terminated for praying a silent prayer in view of students. First Liberty Institute is appealing to the Supreme Court, this unconstitutional termination that was upheld by the 9th circuit court.

For years, radical atheist organizations such as the American Civil Liberties Union (ACLU) have been relentless in their attempts to destroy our First Amendment – our freedom of religion. Such attacks on our religious freedom are growing with each passing day. These thoroughly conservative donors are strongly committed to preserving our religious freedoms and traditional culture that our country was founded on.
