

Gunners Who Give

“The Second Amendment to our Constitution is clear. The right of the people to keep and bear arms shall not be infringed upon. Period.” This statement was made clear by President Trump stated early January 2017.

This file is made up of donors who support our 2nd Amendment rights, which are still under attack by hundreds of anti-gun politicians, judges, and the liberal media! Our fundamental freedoms that are the heart of our society – freedom of speech, freedom of religion, and the right to keep and bear arms, are still under attack!

These direct mail donors will support candidates, PAC’s, and conservative organizations that want to preserve our constitutional rights, and will continue to fight for our constitutional rights!
