

John Cox for Governor 2018

These are the recent donors to John Cox for Governor (CA), running in one of the most watched 2018 elections in the country. John Cox shocked the world and beat the odds as he scored a HUGE upset in the California primary, becoming the Republican candidate to face Lt. Governor Gavin Newsom.

Californians were FED UP with the failed policies of the last 8 years– including jobs, schools, roads, affordability. The state of California had become a regular national news disaster story, with disastrous fires, skyrocketing costs of living, rampant homelessness, AND becoming a “sanctuary state”!

John Cox is an entrepreneur, businessman, and loves the state of California. He truly wanted to change Sacramento and save California by removing the corrupting influence of special interest money in California politics.

Donors to John Cox supported his efforts to cut taxes, welcoming businesses, making California an affordable place to live, and restoring the California dream.
