

Keeping America Great

"Together, we are building a safe, strong, and proud America."
~ Donald J. Trump, President of the United States

Since President Trump's election, more than 5 million jobs have been created and the unemployment rate remains below 4 percent. Consumer confidence has soared, and President Trump is delivering on his campaign promises. The President has made it clear that his first responsibility is to protect the safety and security of Americans, which includes enforcing our laws and securing our borders!

Donald Trump started a movement when he was elected as President in 2016. He told voters he would "Make America Great Again," and he has stood by his word. The world will be watching the upcoming elections, as the Democrats go to great length to reform our country and turn this great nation to a socialist society! They must be stopped!

The donors to "Keeping America Great" want President Trump to succeed and serve a second term. These donors show their support to conservative and Republican candidates, and not only vote in the state they reside in, BUT in races outside of their state! They are dedicated political activists who follow local and national races!

Donors can be selected nationally, and target state races; or select state only.
