

Media Research Center

“Since 1987, the Media Research Center (MRC) has been the nation’s premier media watchdog. We don’t endorse politicians and we don’t lobby for legislation. MRC’s sole mission is to expose and neutralize the propaganda arm of the Left: the national news media.” (Taken from www.mrc.org).

Media Research Center is a non-profit, grassroots organization whose mission is to educate the public by exposing, countering and neutralizing the liberal bias of the national news media.

These donors support our liberty and prosperity, and want to preserve our freedom of speech. These donors demand the liberal news media report the truth, instead of repeating the liberal talking points and refusing to let the truth be heard.

In addition to defending our freedoms, these donors support conservative organizations and Christian establishments.
