

# Messianic Jewish Donors

Messianic Judaism is a movement of Jewish people who believe that Jesus (Yeshua) is the promised Jewish Messiah and Savior to Israel and the world, and believes Jesus the Messiah will return.

These donors and activists seek to share the gospel with the Jewish people, and strongly support the state of Israel. They encourage congregations outside of Israel to work for the welfare of the state of Israel, and pray for the land and its safety.

This file will work well for Christian mailers, especially those dedicated to spreading the gospel. This file is also a great test idea for subscription and product buyers!
