

Operation Rescue

Operation Rescue is one of the leading pro-life activist organizations in the nation. Abortion clinic numbers are on the decline and Operation Rescue can take credit for this decline. Operation Rescue made national news when they purchased an abortion clinic in Wichita, KS, and then shut it down. In San Diego County, over 20 abortion mills have closed, partly due to Operation Rescue's efforts. Operation Rescue works across the nation using peaceful, legal means to uncover abortion clinic wrong-doing, exposes it to the public and brings offending abortionists to justice.

Operation Rescue Donors are pro-family, traditional family voters who are staunchly pro-life and believe wholeheartedly in stopping the atrocity of abortion. They donate to groups that will fight for the unborn and help curb abortion in our country. Many are evangelical Christians and Catholics who believe what the Bible says about life. "Before I formed you in the womb, I knew you, before you were born I set you apart". Test this list for any pro-family, religious liberty or pro-life mailings as well as humanitarian efforts.
