

# PROUD to be an American Donor!

These engaged political donors are proud to say they are citizens of the United States of America, "The Land of the Free and the Home of The Brave."

Our country is exceptional, and these donors want to keep their proud traditional American heritage safe and secure. They believe the government should not interfere unless they are needed, and are opposed to gun-control legislation.

These donors will continue to support candidates and organization that share their love for their country and family values. These active donors want to protect the security, sovereignty and prosperity of our nation, and continue to rebuild our U.S. military into the strongest in the world.
