

Religious Rights Lobby

Our First Amendment rights are under attack! Through the empowerment of the ACLU and other anti-religious groups, religious intimidation is at an all-time high. Anti-family forces have declared a virtual war on natural marriage, and millions of taxpayer dollars are being used to fund abortions.

These donors support educating and alerting citizens, monitoring and reporting on Congress, and building alliances with like-minded organizations to preserve our religious liberty.

This is a must test list for mailers who defend the sanctity of life, want to preserve one-man, one-woman marriage, and defend traditional values! These donors understand the threat posed by radical Muslim influences and acts of terrorism, and give generously to support those who are suffering under these forces.
