# Traditional Republican Donors

Traditional Republican Donors believe our Constitution should be honored, valued, and upheld! They believe Government should be smaller, smarter, and more efficient, and leaders should serve people, not special interests. The strength of the nation lies within the individuals who live in the country, and therefore these donors feel that the individual freedom, dignity, and responsibility must come first and foremost in our government.

Our country is exceptional, and these donors want to rebuild our U.S military into the strongest on earth. These donors are opposed to gun-control legislation and believe the government should not interfere unless they are needed. Also, these donors maintain our immigration system must protect American working families and their wages, for citizens and legal immigrants alike.
