

Winning Back America

"I say it is time for us to come together as one united people," Trump said at his victory party in New York. "I pledge to every citizen of our land that I will be president for all Americans."

Donald Trump started a movement, an uprising in 2016. He inspired average Americans, those who have been working hard and getting left behind, that they could "drain the swamp." He tapped into their anxiety about the present and the fear of the future, and in doing so, brought new voters to the polls.

These donors are ready for a change. House seats are up for election in 2024 as well as many Senate seats. The fight for the House and Senate are difficult. The Biden Administration is struggling, and a Red Wave is coming.
