World Children's Fund is a non-profit organization committed to helping children worldwide who are suffering the effects of poverty, disease, natural disaster, famine, abuse, civil strife, and war.

World Children's Fund (WCF) helps fight hunger worldwide with both emergency food aid, and ongoing nutritional programs. In addition to food relief, WCF also meets essential needs by providing suffering children with clothing, shelter, school supplies and medical care.

Through the generosity of their partners and donors, WCF is making a difference. Together, they are changing the lives of the world's impoverished and needy children.
