"BAMPAC is a registered unaffiliated non-partisan Political Action Committee. Since 1994, BAMPAC has provided financial and strategic assistance to candidates running for political office on all levels of government. BAMPAC candidates are committed to supporting our common sense approach to public policy and politics: promoting Social Security reform, improving public education, expanding economic opportunities to historically disadvantaged sectors in America, vigorously promoting equality for all Americans, protecting the sanctity of human life and restoring moral values and the importance of family in our communities."
