

Christians Loyal and Steadfast

These donors declare with their voices and their wallets that our nation was founded on Christian values and truths. They are committed to restoring America's reputation and independence and believe our nation is "Under God."

These donors believe in the sacredness of human life, the sanctity of marriage and family. These Christians are opposed to same sex marriages and support the traditional marriage amendment. These patriotic individuals contribute to a variety of appeals, especially Christian charities and pro-life organizations. These contributors are also a great source of names for conservative fundraising.
