

Selous Foundation

The Selous Foundation is a 501(c)(3) grassroots organization, devoted to educating the public, Congress and the Executive Branch about foreign policy, sovereignty, terrorism and defense threats.

These donors are strongly opposed to the planned construction of a NAFTA Superhighway, a massive corridor that will allow goods and illegal immigrants to flow into our nation from Mexico and Canada. These conservative donors believe illegal immigration is an important issue that needs to be addressed now!

These supporters oppose placing any United States soldier under a United Nation command. They also support appeals that promote capitalism, individual freedom and military independence.
