

Seniors with Traditional Values

This file is comprised of senior donors who support traditional family values, strong national defense, and decreased taxes. These well-read supporters are interested in current events and are not afraid to donate their money to various organizations.

These donors want to improve the quality of life for others; they feel so many are less fortunate than they are. These donors are highly responsive to direct mail appeals and contribute to a variety of offers, including veterans' assistance, charities benefiting children, humanitarian groups, and medical research. In addition, these seniors are excellent prospects for local community appeals and religious offers.
