

Vision America

“Vision America’s mission is to inform, encourage and mobilize pastors and their congregations to be proactive in restoring Judeo-Christian values to the moral and civic framework in their communities, states and our nation.”

These donors believe in the sacredness of human life and the sanctity of marriage and family. Personal decency and moral integrity are core values, and religious freedom is the foundation of America’s liberty.

These contributors respond to a variety of offers, especially Christian appeals and charities benefiting children. In addition, these involved members are excellent prospects for conservative organizations, catalogs, and book clubs.
