

Conservative Donors Against Big Labor Power and Abuse

As President of the United States, Obama knows pushing his far left agenda will be easier with the money and manpower of Big Labor on his side, and he plans to repay the union bosses who helped get him elected. Obama and the anti-free enterprise majority in Congress want to impose a unionism agenda on America.

The reintroduction of the "Employee Free Choice Act" (or Card Check) into Congress could destroy our economy and our freedoms, by denying workers the right to a secret ballot when voting on whether they want to be part of a union. This process opens the door for widespread corruption, worker intimidation, and will increase power to Big Labor Bosses!

Donors on this file are opposed to big labor power and abuse, and will support any organization that prevents unions from abusing the political system.
