

Patrick Henry Center

“The Patrick Henry Center for Individual Liberty is a non-profit organization focused on identifying, encouraging, supporting, and protecting those who believe in free speech, particularly when it applies to ethics and honesty in the federal government.”

(Taken from www.patrickhenrycenter.com)

Inspired by Patrick Henry, a true patriot, former Special FBI Agent Gary Aldrich decided to expose the truth about the threats to our national security during the Clinton administration. After surviving personal attacks and hardship, Mr. Aldrich founded the Center with the intent of protecting and supporting all those whistleblowers that dare risk their reputations and their lives against government corruption.

Donors to this organization believe in the right to free speech, individual liberty, and limited government. These patriotic Americans will work well for any conservative appeal defending religious freedom, protecting our national security, and those supporting free enterprise.
