

RMLC Telemarketing Donors to Republican Candidates

This is a list of donors who not only completed a telemarketing survey, but also gave a donation to the Republican candidate after its completion.

These individuals are pro-life and believe life begins at conception, have strong traditional family values and agree marriage should be between a man and a woman.

These folks have said they support 2nd Amendment Rights, free enterprise and are anti-tax. These are pro-security, pro-sovereignty, and support our troops.

This list is a great source of names for any political fundraising campaign, especially **candidates**. These responders should also be a great fit for any Christian group or pro-life organization.
