

# Donors Supporting the American Republic

This list is made up of donors who care about their families, their wealth, their livelihood, and the American way.

These pro-American and pro-Constitutional patriots love America and want to see the American Republic thrive. They are strongly opposed to lockdowns and government tyranny and want to expose government corruption.

These donors will support many Conservative appeals, especially those fighting for election integrity and protecting the security and prosperity of our nation.

109,778 All Donors \$100/M
