First Liberty Institute is the nation's largest legal ministry exclusively devoted to defending the religious freedom of Christians in America. Grounded in a biblical worldview, First Liberty fights on the front lines of today's spiritual and legal battles—defending pastors, churches, Christian schools, ministries, military chaplains, and everyday believers living out their faith.

This responsive donor file includes evangelical Christians who are deeply concerned about the growing threats to religious liberty in America. They respond to urgent calls to action to stand with fellow believers under fire for their faith—whether it's a teacher disciplined for sharing the Gospel, a coach fired for prayer, or a church threatened by government overreach. These donors are passionate, prayerful, and committed to restoring godly freedom in the public square
