These generous donors are deeply committed to evangelism, giving sacrificially to spread the Gospel in difficult and dangerous regions of the world. They support efforts to provide Bibles, fund missionaries, plant churches, and meet both the spiritual and physical needs of Christians living under persecution. Their giving reflects a passion for advancing the Word of God and ensuring that believers in hostile environments know they are not forgotten.

They also stand firmly with the global Persecuted Church and other minority faith communities facing oppression from radical Islam, Communist regimes, and hostile governments. This responsive donor file is a strong test for mission appeals, international evangelistic campaigns, Christian relief efforts, and conservative or anti-Communist causes.
