Founded on the principles of America's founding fathers and a strong Christian worldview, Patrick Henry College attracts highly responsive donors committed to preserving faith, liberty, constitutional government, and academic excellence.

Often referred to as "God's Harvard," Patrick Henry College positions itself as one of the nation's premier Christian colleges, preparing the next generation of conservative leaders to impact government, law, media, education, and public policy "For Christ and for Liberty."

These donors are highly responsive to faith-based and conservative appeals, making the file well-suited for constitutional advocacy, Christian education, religious liberty, and pro-family fundraising programs.
